MEMORANDUM FOR: Chief, Contact Division, OO

ATTENTION : []

SUBJECT : SOBLOKOV, Tschurin, Employment Assistance

1. It is deemed advisable for this Agency to render employment assistance if possible to Subject who has served us diligently and now finds himself unemployed through no fault of his own.

2. Subject had worked for us in Jordan prior to his arrival in the U.S. in 1955. Since then he has been employed as a used car salesman and a life insurance agent for Mutual of New York. He participated in a six-month training course with us under Project AHSOPOT and later went overseas on a mission for us. This past summer he spent two weeks with us on refresher training and shortly thereafter his services were terminated by the insurance agency due to lack of sufficient production. Since then he has been drawing approximately \$35 per week in unemployment compensation and has graduated from an IBM course of instruction. He reports that he has conscientiously been seeking employment but to no avail. Subject is married and has four children. He resides at 47 N. Third Street, Paterson 2, N. J. In addition to five foreign languages, he is sufficiently proficient in English. Although he has been accustomed to earning over \$600 per month, he is willing to start at any salary in order to gain employment.

3. In order to retain his services as a reservist in one of our projects and to enhance effective control of him, it is requested that your office provide any assistance you may deem proper in acquiring employment for this Subject.
